Dear Client:

Once again, another year is behind us and tax time is here. And once again, this year has seen significant changes in the tax arena. Congress continues to debate more changes. You can be assured we stay abreast of all the latest changes as they occur!

The enclosed organizers are designed to collect the information in exactly the form it is needed for tax purposes. **NOTE: TAX RETURNS ARE PREPARED MORE ACCURATELY AND TIMELY IF CLIENTS FURNISH US PROPERLY FILLED-IN ORGANIZERS.** If you prefer another format for assembling your tax information, be sure it contains all the information requested on these organizers. **IMPORTANT: IF YOU ARE COMPLETING MORE THAN ONE ORGANIZER, ENTER EACH AMOUNT ONLY ONE PLACE IN THE COMPLETE SET OF ORGANIZERS.** If an amount applies to more than one organizer, we will transfer it to the appropriate places. The more complete your information, the more accurately your return will be prepared, and with the greatest possible savings in tax dollars. Extra copies of our organizers can be printed from our website at www.gabletaxservice.com

IMPORTANT: EACH PERSON OR MARRIED COUPLE FILING A TAX RETURN MUST COMPLETE AND RETURN A GENERAL ENGAGEMENT LETTER AS WELL AS A GENERAL TAX ORGANIZER. IF YOUR MINOR CHILDREN ARE REQUIRED TO FILE TAX RETURNS, A SEPARATE ENGAGEMENT LETTER AND GENERAL TAX ORGANIZER ARE NEEDED FOR EACH CHILD.

IMPORTANT: DUE TO INCREASING CONCERN OVER IDENTITY THEFT AND FRAUDULENT TAX FILINGS, WE ARE NOW REQUIRED TO REPORT DRIVER'S LICENSE OR STATE ID CARD INFORMATION FOR EACH TAXPAYER AND SPOUSE. PLEASE FILL IN THE INFORMATION AS REQUESTED, OR MARK THAT YOU DO NOT HAVE ONE, ON THE GENERAL TAX ORGANIZER.

I have completed 37 years of tax preparation and hold an Enrolled Agent license from the United States Treasury. Enrolled Agents (EA's) are the only federally licensed tax practitioners who specialize in taxation and also have unlimited rights to represent taxpayers before all levels of the IRS. The license is granted after passing an extensive three-part examination covering all aspects of federal taxation. Continuing education is required to maintain the license, and I have taken at least 95 hours of continuing education during the last year. My son Lynn is returning to help prepare tax returns. He is participating in the IRS Annual Filing Season Program and has met the continuing education requirements of that program. Miranda Gable assists with payroll, bookkeeping, and other office duties. I review and sign all tax returns prepared in our office.

Our phone numbers are shown above if you desire to reach us by phone. You can mail or fax your information or contact us for instructions on how to securely transfer it to us via the internet. **NOTE: IF YOU SCAN YOUR INFORMATION, PLEASE SET YOUR SCANNER TO PDF FILES IN BLACK & WHITE MODE. JPEG AND GRAYSCALE DO NOT PRODUCE CLEAR ENOUGH SCANS FOR OUR PURPOSES.** If you have a large amount of information to mail, call us and request a large postage-paid Business Reply Mail envelope to mail us your information free of charge. **We are not offering in-office while-you-wait tax return preparation this year. You may call to discuss alternatives.** **NOTE: PLEASE CALL BEFORE BRINGING YOUR INFORMATION TO THE OFFICE IN PERSON TO ENSURE SOMEONE WILL BE AVAILABLE TO RECEIVE IT.**

We hope this New Year will be a happy and prosperous one for all and look forward to serving your tax filing needs. We value your relationship and say thank you for letting us serve you!

Sincerely,

Kelvin Gable Enrolled Agent

NOTE: For 2022, the standard deduction amounts have been adjusted for inflation and for most filers are

Single or Married Filing Separate	\$12,950 per return
Married Filing Joint	\$25,900 per return

NOTE: Generally, you can claim a child tax credit (\$2,000 each) for your child up to and including the year the child turns 16. **HOWEVER, THE CHILD CANNOT HAVE PROVIDED MORE THAN HALF OF THE MONEY FOR HIS OWN SUPPORT FOR THE YEAR.** If your child aged 17 or 18 lived with you, generally you can claim a \$500 'other dependent credit' for the child. You can claim a \$500 'other dependent credit' for older children that lived with you and you supported if their income for 2022 is less than \$4,400.

NOTE: THE AMOUNT OF 2022 EQUIPMENT PURCHASES THAT CAN BE "EXPENSED" ON A BUSINESS OR FARM RETURN HAS BEEN INCREASED TO \$1,080,000. The equipment can be new or used and must have been on-site and available for use on December 31 to qualify for deduction on the 2022 tax return. It cannot have been purchased from your parent or child.

NOTE: For 2022, two different standard mileage rates apply. They are 58.5 cents per mile driven during Jan-Jun, and 62.5 cents per mile for miles driven Jul-Dec. **IMPORTANT: YOU MUST REPORT YOUR BUSINESS MILEAGE AS ASKED FOR ON THE VEHICLE ORGANIZER.** You should keep the beginning and ending odometer readings for the year in your records for each car or pickup, whether we use the mileage rate or actual expenses for figuring the deduction. **PLEASE PROVIDE ALL INFORMATION MARKED "REQUIRED" ON THE VEHICLE ORGANIZER. IN THE EVENT OF AN IRS AUDIT, YOU WILL BE REQUIRED TO FURNISH A MILEAGE LOG SHOWING THE DATE, BUSINESS PURPOSE, AND MILES DRIVEN FOR EACH TRIP.**

IMPORTANT: If you have a bank account, property, or business interest in a **foreign country**, please let us know as some special tax reporting rules apply. There are substantial penalties for failure to disclose these items.

IMPORTANT: If you bought or sold any buildings or land during the year, please furnish a copy of the settlement or closing statement that was given to you at the time of the deed transfer.

IMPORTANT: If you gave, or received as a gift, money or anything such as land or buildings or a home or a share in a business or anything else, worth more than \$16,000 to or from any one person, let us know so we can determine whether any reporting is required.

NOTE: ANY AGE PERSON WHOSE GROSS RECEIPTS FROM SELF-EMPLOYMENT ARE AT LEAST \$400 MUST FILE A RETURN, regardless of the source of the income or whether he or she is claimed as a dependent on the parents' return.

NOTE: PLEASE SEND US ALL FORMS 1099 AND K-1 YOU RECEIVE FOR OUR REVIEW. THIS WILL HELP ENSURE THE INFORMATION IS REPORTED CORRECTLY ON YOUR TAX RETURN. IRS is increasing emphasis on computer cross-referencing of Forms 1099 and K-1 with individual tax returns to ensure the amounts are reported correctly.
